

SENTRIKey SHOWING SERVICE™

SentiKey Showing Service™ skyrockets the success of real estate professionals and is the first and only combined solution for managing showings, client communication, and property access.

MLS INTEGRATION	SELECT	PREMIUM	FEATURES SUMMARY
✓	✓	✓	MLS Integration Link between properties on the MLS and self-scheduling on the SentiKey® Real Estate website and app.
✓	✓	✓	Self-Scheduling Access the scheduling page and additional features on the SentiKey® Real Estate website and app.
✓	✓	✓	Showing Request Notifications Agent-defined notification settings to accept, decline, or propose a new time.
✓	✓	✓	Showing Instructions Set up and receive defined instructions for accessing the property, including alarm codes. Settings can also be pulled from the MLS.
✓	✓	✓	Team Schedules Easily search for team members and view or manage their showings and calendars.
✓	✓	✓	Showing Feedback Automatically send and track feedback requests after a showing.
✓	✓	✓	Automated Acceptance Scheduling Enable your clients to automatically accept showing requests that fall within defined timeframes.
✓	✓	✓	Training & Support Access online tutorials and how-to videos, or contact live support.
✓	✓	✓	Activity Reports Access to market activity reporting (to be released mid-2021).
✓	✓	✓	Multi-Showing Scheduling & Routing Receive itinerary and directions for the most efficient route based on scheduled times, property address, and starting location.
✓	✓	✓	Showing Service Functionality Within the SentiKey® Real Estate App Access the scheduling dashboard and additional features through the app.
✓	✓	✓	Property Access Report View all of your listing's accesses by agents, inspectors, photographers, and more (to be released mid-2021).
✓	✓	✓	Client Roster Manage current and previous clients, with the ability to assign them to a showing or listing and receive requests and confirmation status.
	✓	✓	Advanced Reports Access to market analysis and historic trend reporting (to be released mid-2021).
	✓	✓	SentiKey™ Assistant for Mobile (SAM) An exciting feature leveraging AI to help automate your scheduling tasks.
	✓	✓	ClientConnect App Give your clients the ability to share calendars, their roster of properties, and give feedback on properties from a mobile app of their own.
	✓	✓	Client Activity Tracking Manage your time easier by tracking what stage your clients are at for each home they're interested in buying.
	✓	✓	Client Calendar Share a schedule or itinerary with your client (exportable to personal calendar).
	✓	✓	Client Feedback Agents can view and manage feedback from clients.
		✓	Call Center Scheduling Let SentiLock's Professional Call Center handle the challenges of managing your new, modified, or canceled appointments.
